

Cambridge Specialist Interest Diabetes Group (2010)

Next year, we shall be continuing our educational programme for GPs with a special interest in Diabetes.

We are planning to meet every second month for 2 hours in the Clinical school at Addenbrooke's Hospital, starting in February 2010. These seminars will be facilitated, but will be driven by the learning needs identified by the group.

The programme is aimed at GPs and nurses in Primary Care with a special interest in Diabetes. As a practice, you should identify those clinicians, who have a particular interest in Diabetes and who would be prepared to lead on this within their own practice.

The meetings will feature:

- Discussion of guidelines
- Management of Patients
- New Treatments
- Case Discussion

There will be a charge of **£10.00 per meeting** to cover the cost of a light supper & administration costs.

Participants are expected to sign up for all sessions, but there will be opportunity to attend individual sessions should this be more appropriate.

Time: Registration/Supper: 18.00 - 18.30 followed by Meetings: 18.30 - 20.00

**Dates: Tues. 09th February 2010; Tues. 30th March 2010; Tues. 15th June 2010;
 Tues. 21st September 2010; Tues. 19th October 2010; Tues. 30th November 2010**

Please note that the group will run alongside the other specialist interest groups in 2010, and all application forms can be found on our website:

www.addenbrookes-pgmc.org.uk

Re: Special Interest Group Diabetes Meetings 2010

I,, would like to attend the **Diabetes** meetings and enclose a cheque for **£60.00** made payable to "Addenbrooke's Endowment Funds"

Email Address:@.....

(Please provide an e-mail address you check regularly, in order to be kept up to date with regards details/developments within the programme)

Practice Address:

Please return to:
