The educational programme continues for GPs with a special interest in Gynaecology (first established in 2004). We will meet every term for 2 hours in the Clinical School at Addenbrooke’s Hospital.

The programme is driven by the identified learning needs of the group which are then delivered by the group and course leads. The programme is very much aimed at GPs prepared to lead on this within their own practice – to act as a resource within the practice and ensure referrals are appropriate.

*There will be a charge of **£15.00 per meeting** to cover the cost of refreshments & administration costs.*

**Participants are expected to sign up for every session and commit to actively use their increased knowledge.**

**Numbers will be limited and places cannot be reserved.**
