

UNIVERSITY OF CAMBRIDGE

INTRODUCTORY COURSE ON THE BIOLOGY OF THE SKIN

Monday 6th – Friday 10th December 2010

Starting at 10am on Monday 6th December and ending with lunch at 12.30 on Friday 10th December.

This is an annual residential course, primarily intended for Registrars and postgraduate students at an early stage in their dermatology training, but will also be of interest to other practitioners and scientists.

Participants will be resident in Downing College, Cambridge which offers modern, single study-bedrooms, all with en-suite.

Registration fee: £975
Credit card payment accepted

The fee covers the cost of all meals and accommodation from Monday 6th December through to lunch on Friday 10th December. A wine reception on Monday evening, Walking Tour of Cambridge on the Wednesday afternoon and a Conference Dinner on the Thursday evening are also included in the price. Some accommodation will be available on the Sunday evening prior to the course for an additional cost.
