08:00-17:00

David Dunn Suite/Simulation Centre, Addenbrooke's Hospital

SIMULATION CENTRE

This 2 day course is directed at trained ward nursing staff with one year's experience and pre-registration medical staff

Course Aims:

- To identify the deteriorating ward patient early, using a structured method of assessment (A,B,C,D,E).
- To be able to summons appropriate help.
- To have a basic understanding of the appropriate action and treatment needed.
- To be able to evaluate and re-assess actions/ treatment.

Numbers are limited to **8** candidates per course.

If you would like to attend this course, please gain your managers approval and complete and return the reply slip stating which date you would prefer to go on.

REGISTRATION

Please fill in the form, use the back of the slip if more space is needed.
